### MARY SCOTT NURSING CENTER ANNOUNCES APPOINTMENT OF NEW EXECUTIVE DIRECTOR

---

Timothy R. Miller, former Executive Director at Twin Towers, a CCRC (continuum retirement community) meeting the needs of 500+ residents in Cincinnati, Ohio, has been named Executive Director at Mary Scott Nursing Center, 3109 Campus Drive. Mary Scott is Dayton's oldest non-profit nursing home.

“Tim Miller brings a wealth of experience to this position with Mary Scott,” said James Payne, President of Mary Scott Board of Directors, in making the announcement. “He also has a strong faith-based perspective in his relationships with residents and family members. We’ll benefit by this dual strength of experience and a strong spirituality,” Payne concluded.

Timothy R. Miller is a Licensed Nursing Home Administrator with 16 years experience holding a Bachelor of Science Degree from Kentucky Christian College, Grayson, Kentucky and Masters work from Marshall University in Communications. Mr. Miller served as Administrator at Mason Christian Village, Mason, Ohio prior to Twin Towers.

Mr. Miller served four years in the United States Air Force and has been a missionary to the Ivory Coast, West Africa. He is an Eden Associate and a Continuing Care Accreditation Commission evaluator.

Now managed by Otterbein Homes, Lebanon, Ohio, Mary Scott Nursing Center was founded in 1914 by “Mother” Mary Scott when she opened her home to African American

elderly, widowed, and indigent women. What began as Mary Scott's act of caring for women in her own home now continues in the quality health care offered by Mary Scott.

Guided by its, "Caring Comes From Inside," theme, Mary Scott Nursing Center has grown to a 120-bed skilled nursing facility. A not-for-profit organization, Mary Scott offers intermediate, skilled, and respite care to a racially diverse population. Accepting persons dependent upon Medicaid, Mary Scott looks to community support to support benevolent care and capital expenditures.
