FOR IMMEDIATE RELEASE

THE 21st ANNUAL MARY SCOTT LEGACY AWARDS BANQUET

The 21st Annual Mary Scott Legacy Awards Banquet will be held on Thursday, April 22, 2010. The award dinner will be held at the Sinclair Community College, David H. Ponitz Conference Center, at 6:00 pm.

Sometimes the work of just one person changes history forever. Such is the story of Mary Scott who, in 1914, laid the foundation for Dayton's Mary Scott Nursing Center. The founder's act of caring for others in her home continues today, offering the most modern health care available in a diverse setting.

This annual celebration of women, who exemplify that same spirit of volunteer service, began twenty-one years ago. Each year, women are nominated by local organizations and chosen to receive this esteemed award.
